Château de la Jaubertie 2018 Mirabelle du Château de la Jaubertie Red (Bergerac)

Perfumed, rich and now approaching maturity this is an attractive wine from this major Bergerac estate. Generous tannins are still present, balanced with ripe black fruits and acidity. Approaching peak, the wine will be ready from 2024. [Roger Voss](#)

This wine is 100% barrel fermented, giving richness and spice to the blend of mainly Sauvignon Blanc with 15% Sémillon. It is a rich wine, still developing with ripe acidity, peach and citrus flavors forming attractive contrasts. Drink the wine now. [Roger Voss](#)
